L'essentiel d'Albert Vieille

Albert Vieille vous invite à un voyage au cœur de la matière première aromatique naturelle, de son histoire, ainsi que des communautés qui en sont à l'origine. Nous produisons et distribuons des matières premières aromatiques exclusivement pures et naturelles, extraites à partir de variétés botaniques bien identifiées et selon des procédés d'obtention sauvegardant la naturalité dans chacun de nos produits.

L'âme de nos matières premières naturelles se révèle dans les qualités olfactives et analytiques des produits que nous sélectionnons avec exigence dans nos laboratoires.

Notre expertise technique nous permet d'obtenir dans nos unités de transformation, les meilleurs produits aromatiques 100% purs et naturels : huiles essentielles, absolues, concrètes, résinoïdes, gommes et eaux florales.

Au cœur d'un large réseau de fournisseurs et de clients, nous favorisons le développement de filières équitables afin de contribuer au bien-être des Hommes et de la Terre.

Albert Vieille's essential

Albert Vieille invites you to explore the very heart of natural aromatic raw materials, their histories, and the communities at their roots. We produce and distribute exclusively pure and natural aromatic raw materials, singly obtained from methodically identified botanical varieties. Our extraction techniques ensure wholly natural quality in every product.

The true soul of our natural raw materials is revealed in the olfactory and analytic qualities of the final products we meticulously select in
our laboratories

Our technical expertise, put into practice in our processing units, enables us to obtain unparalleled aromatic products that are 100% pure and natural: essential oils, absolutes, concretes, resinoids, gums, and floral waters.

At the center of a vast network of suppliers and clients, we foster development of equitable supply chains and mutually favorable relationships, contributing to the well-being of both the planet and its peoples.

You will find all our products on the Albert Vieille website, **www.albertvieille.com**
